From: mpeacock@yorku.ca

To: jhorwood@yorku.ca,

Dear madam/Sir,

As a matter of urgency, I would like to express my strongest support for the two divestment proposals recently received by York's Committee on Responsible Investing (YUACRI) and publicised by Irene Henriques. As a stakeholder at York, I would urge you to implement these proposals in all future investments as soon as possible.

Sincerely,

Mark Peacock

Professor

Dept. of Social Science

Faculty of Liberal arts & Professional Studies
