

endorsing the YU divest and Fossil Free York proposal
Michael Nijhawan to: jhorwood

01/28/2017 12:02 PM

Dear Members of the advisory committee,

I emphatically endorse the YU Divest and Fossil Free York proposals that are under consideration.

This is long, long overdue and a necessary step to attune all funding models/finances with the overall progressive vision that York U represents.

best regards,
Michael
