

**YUDivest proposal**  
Shayna Rosenbaum to: jhorwood

02/22/2017 12:10 PM

---

I strongly oppose the YUDivest proposal, which is highly selective and based on factual inaccuracies. The undue focus on this campaign, a thin veil for BDS, takes attention away from RELEVANT student and faculty issues, especially much-needed ways to improve our university so that it can regain its reputation as a leader in teaching and research. I trust that members of the Board can put aside their political biases to realize what our university truly needs.

Sincerely,

Shayna Rosenbaum  
Department of Psychology
