Hello,

My name is Younus. Working on behalf of the Organization for World Peace, I am a spokesperson for the YU Divest campaign, which asks York University to divest the endowment fund (how we get our scholarships and bursaries) from arms manufacturers.

I am reaching out to you now, because recently, YU Divest submitted a report to YUACRI (York University Advisory Committee) which should develop a report and send it to the Board of Governors. However, they are stalling right now. So, our team is asking if YU Divest endorsers can send a letter to YUACRI (template attached below) to pressure them to develop and send their report.

We would really appreciate any support, as it is crucial that we build political pressure in order to get the motion passed.
